

Renew your Indiana Maple Syrup Association membership for 2017!

We missed you at the Annual Meeting. For this 26th annual gathering of maple producers, we had near-record attendance, and photos and a recap will be in the January "**Tapline**" newsletter.

On Feb. 1, IMSA places its member subscriptions to "**Maple Syrup Digest**," so Jan. 27 is our 2017 member deadline.

Please consider renewing your membership.

Your \$15 annual membership gets you the quarterly IMSA "**Tapline**" newsletter, the quarterly "**Maple Syrup Digest**" from the North American Maple Syrup Council, the opportunity to participate in the annual IMSA Maple Weekend, and invitation to the Annual Meeting – a daylong event with speakers on topics designed to help expand your business...or your hobby into a business.

Simply return this form by Jan. 27 in the enclosed envelope, along with your \$15 check payable to IMSA, and we will be in touch.

Happy Holidays, and very best regards to you!
